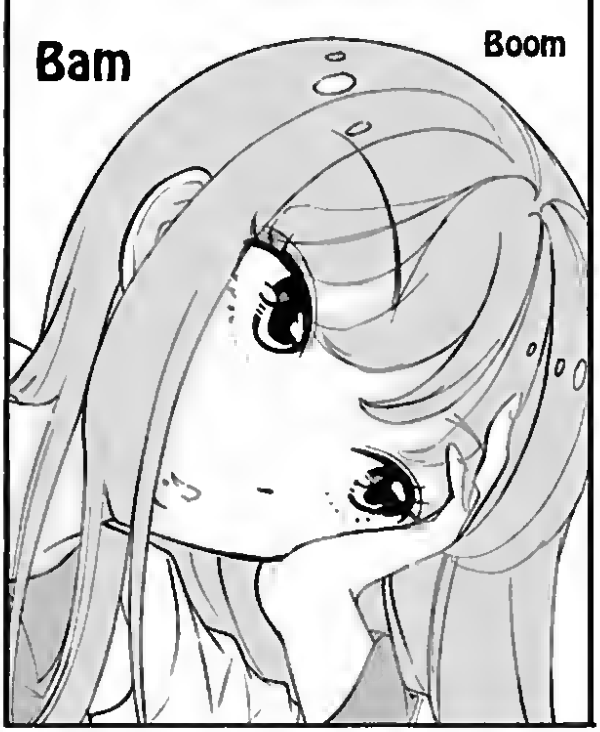
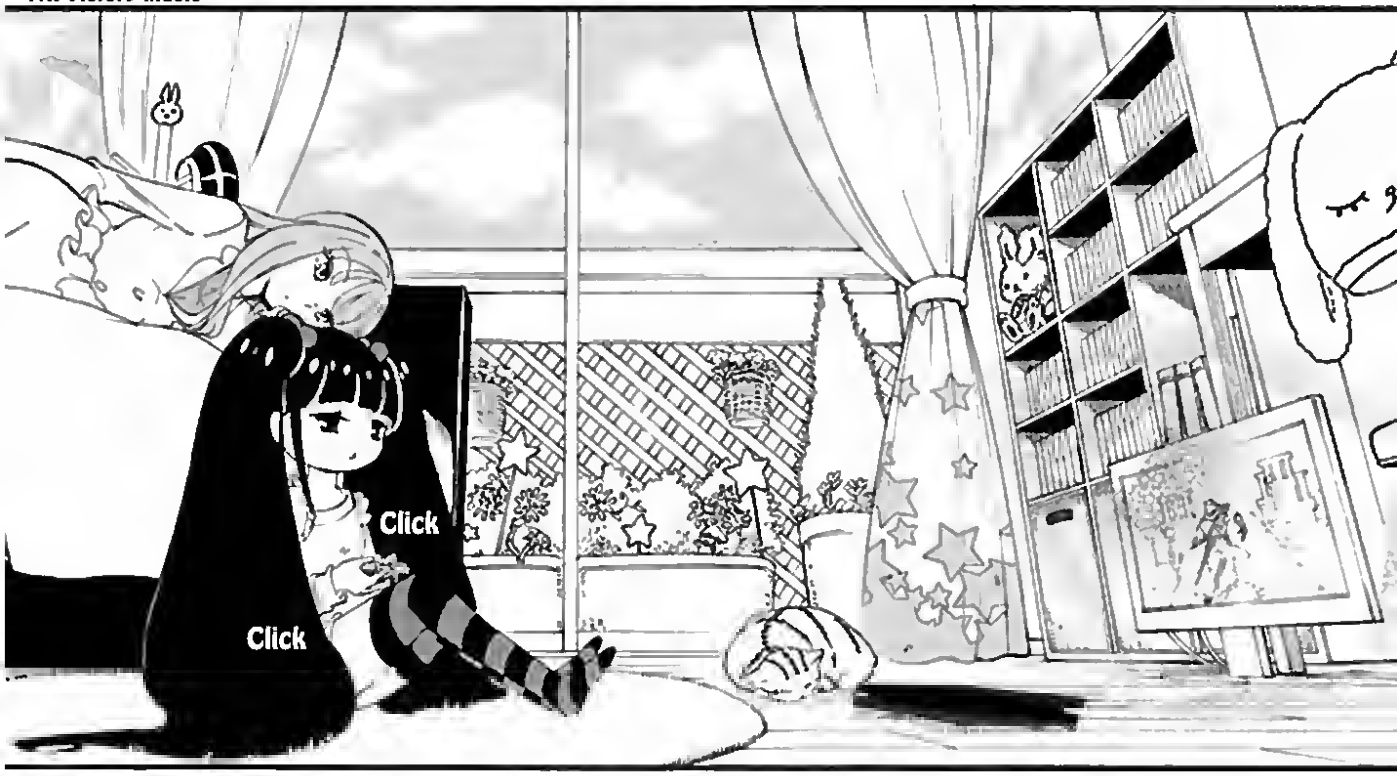
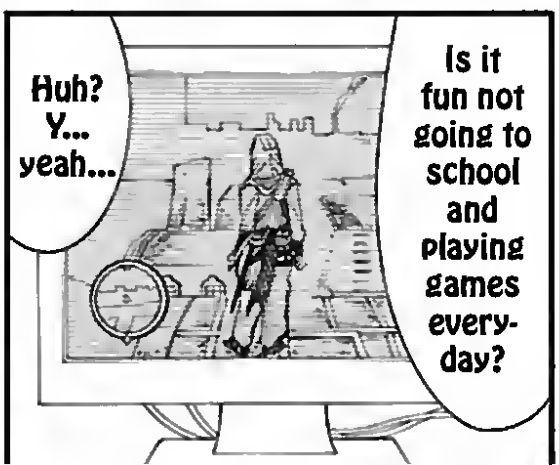
Training. You'll cultivate your compo-sition by writing a bit every day.
Haa
Haa
No it's not, it's different from being a shut in because I go out of my room to eat together with my family, right? And the first thing I do everyday is have a bath!
Don't get your words mixed up, Onee-chan.
At this point, you are no longer a truant, you're a piece of shit and a parasite.
Mooom, it's 3'o clock. Where're the snacks?



TN: Victory music

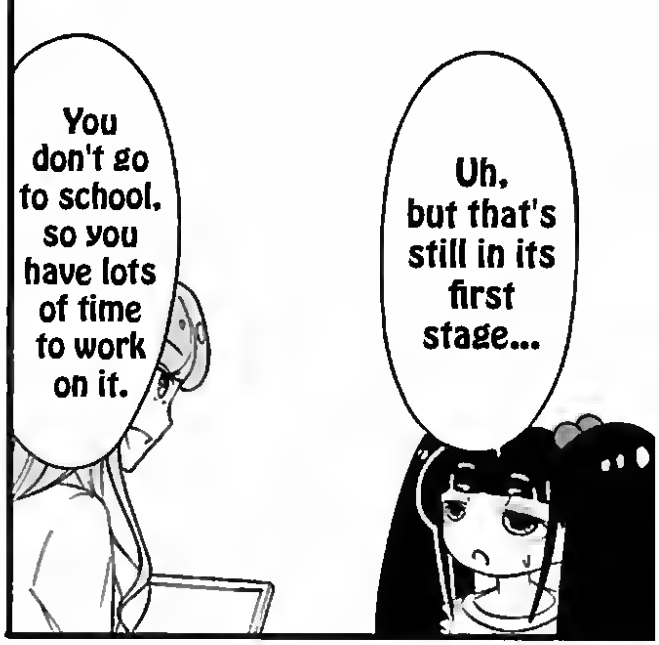




N-no!!
What, is there some inappropriate stuff in your history?
Huh!?
Hey can I borrow your PC?
Mine's broken.
Inter-net.
Wh-what'll you use it for?
It'll be fine if I look.
Fine.
Seri-ously! You seri-ously can't look!!
Fine.
I- I got it, you can use it. But don't look in my folders.
This is inter-est-ing!!

You're a prodigy!!
I don't read a lot of novels, but this is interesting!
Huh!? Ahh... uughhhh~ Y- you think?
Wh-!? Wh- why did you look!?
Did you write this, Kanae!? This is amazing!!
Look at this! Kanae wrote this!
Hey, don't call mom!
Mooom! Kanae's amazing!
B-but I sorta used another book as reference...
I'll also help out so you'll be a novelist.
And so, I'm gonna bring this 'The result of me, a truant, got serious in another world for the first time' that you wrote, Kanae, to a publishing company.

But your novel was brimming with freedom and interest, Kanae.
I am truly moved. Up to now, I thought novels were works of literature that one only reads when studying for exams.

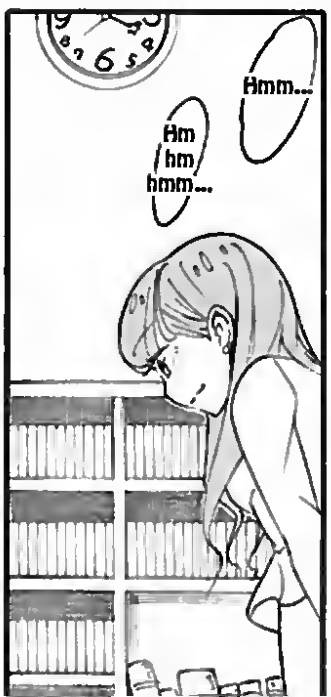


You don't go to school, so you have lots of time to work on it.
Uh, but that's still in its first stage...

S-sure.
Leave it to me.
Kanae, with your talent and my support abilities, you'll debut as a middle school novelist very soon.

It's pretty much a temp-late th-ough...
Y-yeah!
It's totally refreshing to see a girl like you go to a fantasy world and put in great effort with your rule breaking powers.

Hm?
The Incident Where I, A Shut In First Got Serious In Another World



Hmm...
Hm hm hmm...

Sure. Okay. I'll be playing games.
I should get familiar with novels. Can I read some in your room?

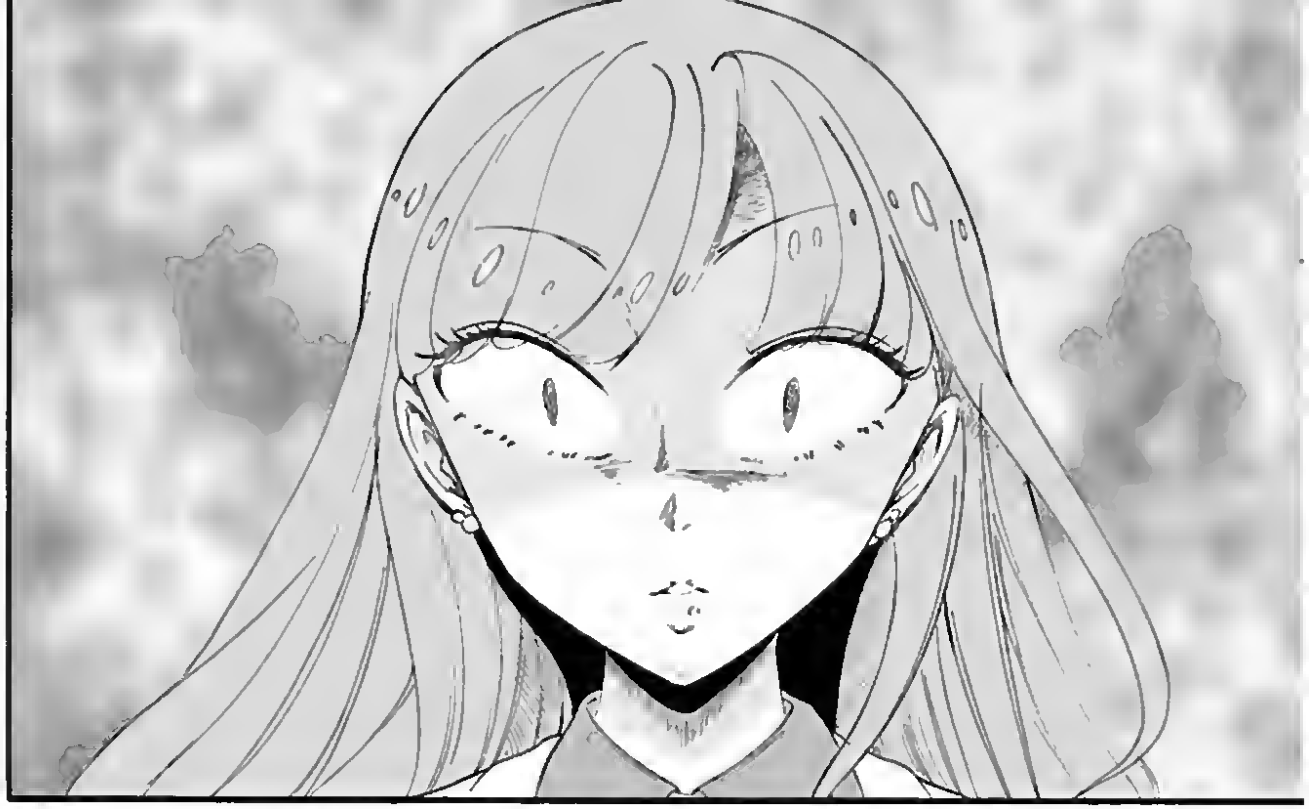
When I think hard about it, there's no way my retarded little sister who doesn't go to school and plays games everyday could write this novel.
I was hasty.
If I don't, you can't think of anything, Kanae.
Well, whatever. From now on, I'm gonna study on it.
Up to now, I didn't even know these sort of novels existed.
Well, it was a mistake also in part of my lack of knowledge.
About making you a novelist, Kanae.
And I'm definitely going through with what I decided on at one point.

That's impossible.
Why? You can do it if you work hard.
It's impossible even if I do. so I don't wanna work hard...
Then do you intend on continuing your truancy as you are without doing anything?
That's just for now. What'll you do when you grow up?
Of course I'm thinking about it. Onee-chan always studied and worked jobs so there are things you don't know about me.
You're kinda pissing me off.
What'll you do?
I have some welfare.
When I grow up, I'm gonna make a living as a livestreamer.



Both you and dad are sweet to Kanae, because you were strict with me!
So I'm gonna educate Kanae now!
Why are you spoiling her, mom!?
BAM
No-zomi, leave her be.
Kanae is also repent-ing.
I'll squeeze in a short time for middle school studies.
And the rest of the time I'll make you do nothing but novel work!!
I'm not letting you go there! I told you you're gonna be a novelist, right!?

A... am I going to school?
O-onee-chan, I'm done.
Hm... I'll check your work afterwards. Next is Japanese.

S-sure.
Make sure you work hard at the subject that's necessary for novelists.
Whoa
Munch
Ah?
You're telling me off harshly, but right now you're a NEE-
Nothing!!
Uh... umm... onee-chan.
What?
The road to their desire begins...
